SESSION

DIRECTOR'S MESSAGE

Dear Students, Parents, and Esteemed Visitors,

Welcome to Gyan Bharti Institute of Nursing & Hospital.

Healthcare is not merely a profession; it is a sacred calling defined by empathy, skill, and dedicated service to humanity. At Gyan Bharti, our vision is to nurture world-class healthcare professionals who possess both exceptional technical competence and a deep sense of compassion.

As India's healthcare landscape evolves rapidly, the demand for highly skilled, ethically grounded nurses and medical professionals has never been greater. Our institution is established with the core mission of bridging the gap between quality education and accessible, high-standard medical care in our region. We strive to empower the next generation of nursing leaders.

We believe that learning extends beyond textbooks. Our campus blends rigorous academic training with hands-on clinical exposure in our own modern hospital facility. Here, students are mentored by experienced faculty, trained on state-of-the-art simulation equipment, and instilled with the values of integrity, discipline, and patient-first care.

To our prospective students: when you step into Gyan Bharti, you enter a transformative environment designed to help you excel academically and grow personally. We are committed to supporting your professional journey every step of the way, equipping you with the confidence and knowledge to serve in top healthcare institutions worldwide.

We invite you to join us in our commitment to excellence, innovation, and healthcare service.

Warm Regards

Neha Kumari

Director

Shalini Singh
chairperson

CHAIRPERSON'S MESSAGE

"Healing with Compassion, Leading with Excellence"

It gives me immense pleasure to welcome prospective students to Gyan Bharti Institute of Nursing and Hospital. Nursing is not merely a profession; it is a noble calling that combines clinical science, empathy, and dedicated service to humanity.

As healthcare continues to evolve globally, the demand for highly skilled, compassionate, and ethically grounded nursing professionals has never been greater. At Gyan Bharti Institute Of Nursing and Hospital, our vision is to nurture world-class healthcare leaders by providing top-tier clinical training, modern infrastructure, and a supportive academic environment.

We are committed to shaping nursing students into resilient professionals equipped to meet the challenges of modern medicine. I invite you to embark on this transformative journey with us and make a meaningful difference in society.

Warm Regards
Shalini Singh

SECRETARY's MESSAGE

A dream which did not let us sleep.....I have great pleasure in welcoming you to the Gyan Bharti Institute Of Nursing & Hospital. As a family, Gyan Bharti Institute Of Nursing & Hospital, with its ideas, impressions, and images, is consistently growing and aiming to achieve new benchmarks in healthcare and medical education, leaving behind it as a milestone. Up-gradation with time is our policy.

Gyan Bharti Institute Of Nursing & Hospital is dedicated to providing an advanced and specialized healthcare learning centre from its very inception. Emphasizing the dynamic needs of the large section of the community and our commitment to them, we are everyday striving towards excellence. The institute has kept itself at par with modern techniques. The expanded facilities for recreation and for sports and games in the college will surely add to the friendly academic ambience here and invite our students to participate wholeheartedly in all our activities and give out their very best. Organising events which includes not only cultural and sports but also academic competitions creates an environment for healthy competition with a sense of collective effort and excellence. We have dream to make nursing professionals who will not only be a part of the community but will be among us providing a healthy life to our families.

We are committed towards making them not only highly skilled nurses but the best possible human beings too. We have dream and are moving with great force towards making Gyan Bharti Institute Of Nursing & Hospital a leader in quality healthcare and nursing education, establishing an institution of par excellence which will make us all proud to be a part of it. We have dreamt that everybody should have a happy and healthy living and we wish the same, but if anybody has a health problem we should always be there. We won't rest till we achieve all what we have committed..... and this is the dream we will make a reality.

Ashok Kumar Singh
Secretary

ABOUT THE INSTITUTE

Gyan Bharti Institute of Nursing & Hospital is established with the vision of providing quality nursing education and developing competent, compassionate, disciplined and professionally skilled nursing personnel.

The institute aims to create a supportive academic and clinical learning environment where students receive comprehensive theoretical knowledge, practical training and hands-on clinical experience.

Through experienced faculty, modern teaching methodologies, clinical exposure and a strong emphasis on ethical values, the institute seeks to prepare students to meet the healthcare needs of society.

OUR VISION

To emerge as a centre of excellence in nursing education by developing knowledgeable, skilled, ethical and compassionate nursing professionals committed to serving individuals, families and communities.

OUR MISSION

- To provide quality education in nursing and healthcare.
- To develop competent and confident nursing professionals.
- To integrate classroom learning with practical and clinical experience.
- To promote professional ethics, discipline, compassion and responsibility.
- To encourage students to develop lifelong learning and leadership skills.
- To prepare students to contribute effectively to healthcare services at local, national and global levels.

COURSES OFFERED

THE INSTITUTE OFFERS THE FOLLOWING NURSING PROGRAMMES:

A. Auxiliary Nurse Midwifery — ANM

Duration: As per applicable regulatory norms

Eligibility: As per the current rules of the concerned nursing regulatory authority

Intake: 60 seats

The ANM programme is designed to prepare students to provide basic nursing, maternal and child healthcare, community health and preventive healthcare services.

B. General Nursing & Midwifery — GNM

Duration: As per applicable regulatory norms

Eligibility: As per the current rules of the concerned nursing regulatory authority

Intake: 60 seats

The GNM programme provides students with comprehensive education and practical training in nursing care, medical-surgical nursing, maternal and child health, mental health and community health nursing.

C. Bachelor of Science in Nursing — B.Sc. Nursing

Duration: As per applicable regulatory norms

Eligibility: As per the current rules of the concerned nursing regulatory authority

Intake: 60 seats

The B.Sc. Nursing programme provides an undergraduate education in nursing, combining scientific knowledge, professional nursing skills, clinical practice, research orientation and leadership development.

GYAN BHARTI INSTITUTE OF NURSING & HOSPITAL

**“Committed to Excellence in Nursing Education,
Compassionate Care & Service to Humanity”**

NURSING SKILLS LABORATORY

The institute provides a dedicated learning environment for developing essential nursing skills before and alongside clinical practice.

Students may receive training in:

- Basic nursing procedures
- Vital signs monitoring
- Bed making
- Patient hygiene and comfort
- Medication administration procedures
- First aid and emergency care
- Maternal and newborn care
- Health assessment
- Infection prevention and control
- Community health procedures

FACULTY

The institute aims to maintain a team of qualified and experienced teaching professionals who guide students in both academic and clinical learning.

Faculty members encourage:

- Concept-based learning
- Practical skill development
- Professional discipline
- Individual attention
- Communication skills
- Ethical nursing practice
- Continuous academic improvement

ACADEMIC APPROACH

The institute follows a student-centred approach to nursing education, combining:

- Classroom teaching
- Demonstrations and practical sessions
- Nursing skills laboratory training
- Clinical teaching
- Hospital-based learning
- Community health field experience
- Seminars and presentations
- Case studies
- Health education activities
- Continuous assessment and examinations

The academic programme is conducted in accordance with the applicable curriculum and guidelines of the competent regulatory and affiliating authorities.

CLINICAL TRAINING

Clinical experience is an essential component of nursing education.

Students are provided opportunities for supervised clinical learning in appropriate healthcare settings, subject to institutional arrangements and applicable regulatory requirements.

Clinical exposure may include:

- | | | | |
|----------------------------|----------------------------|-------------------------------------|---------------------------------|
| ● Medical-Surgical Nursing | ● Obstetrics & Gynaecology | ● Community Health Nursing | ● Emergency and Critical Care |
| ● Maternal & Child Health | ● Paediatric Nursing | ● Mental Health/Psychiatric Nursing | ● Other relevant clinical areas |

Students are expected to maintain professional conduct, punctuality, discipline, patient confidentiality and ethical standards throughout their clinical training.

LIBRARY

The institute encourages students to develop regular reading and self-learning habits. The library is intended to provide:

- Nursing textbooks
- Reference books
- Medical and healthcare literature
- Nursing journals
- Study materials
- Examination preparation resources
- Digital learning resources, where available

STUDENT LIFE

Nursing education is not limited to classroom learning. Students are encouraged to participate in academic, cultural, social and health-related activities.

Activities may include:

- Health awareness programmes
- Community outreach programmes
- World Health Day activities
- Nursing Day celebrations
- Seminars and workshops
- Cultural programmes
- Sports and recreational activities
- Blood donation/health camps, where organized
- Community education programmes

DISCIPLINE & PROFESSIONAL CONDUCT

Nursing is a profession based on trust, responsibility, compassion and service. Students are therefore expected to:

- Maintain regular attendance.
- Follow institutional rules and regulations.
- Wear the prescribed uniform during academic and clinical activities.
- Maintain personal hygiene and professional appearance.
- Treat patients, staff and fellow students with dignity and respect.
- Maintain patient confidentiality.
- Follow clinical safety and infection-control practices.
- Demonstrate punctuality and professional behaviour.
- Maintain discipline inside the institute and clinical areas.
